

Dear Jesus

Help me to remember
that you aren't repelled by my weakness or
discouraged by my inadequacies.
You aren't frustrated by my fears
or surprised by my shortcomings.

My lack is no match
for your provision.
My weakness is merely a platform
for your strength.
You are beside me and within me;
behind me and ahead of me,
And there is nothing impossible for you.
Your grace is enough for me, Jesus.
In fact, it's all I need.

May my weakness display your strength.
May my frailties magnify your fortitude.
May my deficits proclaim your extravagance
And when all is said and done,
May my imperfect life be a bold declaration
of your Perfect Love.

AMEN
